Open Country is the Yorkshire charity that ensures people with disabilities can access and enjoy the countryside. This is our Barnsley activities programme for autumn and winter 2024 - we hope you like it!

If you are interested in any of the taster activities in here, give Bob a bell to book on or get further details.

We welcome new ideas for outings and activities—please to get in touch to let us know your ideas! We are also looking for Barnsley-based volunteers to help support members on these trips.

Lastly, in 2024/25 we want to create a small Barnsley Advisory Group (meeting three times a year). Give us a bell if you want to join this group.

A big thank you to all the National Lottery players for supporting our new Barnsley project.
